**TOUGH AND  
COMFORTABLE,  
DESIGNED FOR WORK**

# RUGGED, STRONG AND MULTI-PURPOSE

## CORDURA® NYCO FABRIC

Originally designed as a rugged, lightweight comfort solution for military uniforms, hard-wearing CORDURA® NYCO Fabric is engineered with a blend of INVISTA T420 nylon 6,6 staple fiber and cotton and offers enhanced abrasion and tear resistance performance.

### Characteristics

- Rugged – 3X more abrasion resistant than 100% cotton
- Comfort – high cotton content
- Strong – excellent tear strength
- Authentic – look of classic woven cotton

**Fabric type:** Woven, plain, canvas, oxford, panama, twill and ripstop constructions. Can be finished, coated or laminated.

Fabric Type	Typical Application	Typical Construction	Weight range	Minimum Nylon Content
CORDURA® NYCO TACTICAL	Military, Tactical, Law Enforcement Uniforms	Rip-stop	175 – 235 gsm	50%
CORDURA® NYCO WORKWEAR	Protective work apparel including specialist Flame Retardant garments	Panama, Canvas or Twill	175 – 300 gsm And >300 gsm	25%
CORDURA® NYCO LIFESTYLE	Everyday living	Canvas or Twill	135 gsm and above	25%

The CORDURA® NYCO Fabric portfolio includes specialist solutions for military, tactical and work apparel as well as options for outdoor active sports and lifestyle clothing. Fabrics can also be used in bags, backpacks, footwear and accessory items.
